July Outreach

The Wake County office participated in the 2011 Back to School Success Event on July 26th in collaboration with Wake County Human Services. There were over 50 families presents, and many new relationships were developed.

Perception of Care Surveys

NC Dept of Health and Human services is requiring all agencies to administer surveys for all consumers currently being served. Please encourage your consumers to be honest, and participate in the survey. We will share the results in next month's newsletter.

Spotlight on Staff

Congratulations!!! Dana Robinson, IIH QP for passing her LPC Board exam. We are exciting about being with you as you make your next step to being a therapist.

2011 School Drive

TPFC will be hosting our annual school drive for all our consumers and their families. August 18th 3:30pm-6: 30pm at the Durham office. Please bring your consumers. All donations are payable to
